

PROMOTER

Dave McCann is a dedicated horseshoe promoter and a player also. I have known Dave since 1994. I started to pitch indoors with other players, men and women at the Danforth Center in Rochester, N.Y. Dave organized and kept everything running smoothly. We pitch twice a week indoors. He made game boards and score boards with up to 26 players. He also made game counters which keep score, ringers, and number of shoes pitched. He also does the same thing at the LeRoy Horseshoe Club in LeRoy, N.Y. He also runs the Mike DiMartino warm up for the past few years. He has helped at the Pioneer Horseshoe Club. He organized some tournaments with other clubs at LeRoy and Hamilton, Ontario came twice to pitch.

David was a dedicated player, but getting older has kept him from getting into tournaments. He is known by a lot of horseshoe pitchers for his dedication and promotion of the sport. If it's for horseshoes Dave was for it 110%. He also organized the pitching in Irondequoit twice a week in the summer. He had picnics for the pitchers and their families and also had planned a Christmas party. He promotes horseshoes while he's down in Fla. for the winter. He is a 20 yr member NHPA.
