To whom it may concern;

I, Louis J. Gancos have been involved with organized horseshoe pitching since 1950. That was the first year that I entered the New York State Horseshoe Tournament which was held in Central Park, located in New York City. I have been involved with the National, State, and Local Clubs ever since. I served as Secretary Treasurer for the State a few years in the seventies, and was inducted into the New York State Hall of Fame in 1980. It was in the Seventies when I met Helen and Leo Ouellette. I've met a lot of nice couples since then, but somehow they seem to stand out a little more than the others. At most of the tournaments that I have attended, Helen & Leo would help out some way or another. Finally in 1987, Leo was inducted into the State Hall of Fame. I really didn't know why it took so long. Since Helen & Leo was always helping out together, I was always hoping that they would be inducted together.

To mention some of Helen Ouellette's Horseshoe experience;

- 1-National & New York State member since 1972.
- 2-President of the Brooklyn Horseshoe Club since 1975
- 3-Served as Tournament Director at the Brooklyn Indoor Courts & New Rochelle
- 4-Served on National Membership drive under Dr. Sol Berman.
- 5-Served as a National & State Delegate for many years.
- 6-Served on the National Publicity Committee under Dr. Sol Berman.
- 7-Served on the New York State By-Law Committee since 1986.
- 8-Served on the N.Y.S. Election Committee since 1990-Chairman since 1991.
- 9-2nd. Vice President of N.Y.S. Horseshoe Pitching Association since 1989.
- 10-Served as New York State Regional Director since March 1992.

Therefore, I, Louis J. Gancos Nominate Helen Ouellette for the New York State Horseshoe Pitchers "Hall of Fame"

Yours Sincerely
Louis J. Gancos
