SECRETARY'S MESSAGE

The new club banners were delivered at our spring meeting and those clubs not having a representative present, the banners were mailed out or other arrangements to pick them up have been made. The cost of the banners and any postage has been repaid to the NYSHPA.

The NHPA has requested that all courts be sanctioned for 2019. Paperwork has been given to or mailed to the clubs contact persons. Please pay attention to the form given because of changes by the NHPA, specifically #7 on the conditional court sanction requirements: Effective January 1, 2019 any court complex built prior to 2007 must now have at least 3 courts with short distance pitching platforms. Paperwork should be returned to me by the 3rd week of May. If there are any questions, please feel free to contact me or one of the ARD's Charles Reigles and Rose Wright.

On a personal note I would like to say that as NYS RD & Sec/Treasurer, I was very disappointed with the membership turn out at the Spring meeting. I feel it is very important for all clubs to be represented and have their voices heard. It is not right that a small representation of our membership approves or disapproves the by-law changes or motions made. I truly hope we can improve the attendance at our 2 yearly meetings in the future because the more input and ideas we get from all our membership will greatly improve how we move forward in the future and increase the success of our organization.

*Respectfully Submitted,
Frank Kwiatkowski*

EDITOR'S PITCH

It's that time of year to get last years clay and/or rust of the shoes as it's time to get out and start pitching. I don't know about everyone else, but I ready for some warm weather and get out there practicing to get ready for Wichita Falls, Texas.

At this time, I am searching for someone that would like to take over the Mud as well as the NYSHPA website. It is time for someone else to take over. It could be the same person or two different people. I found that it was easier for me to do both as they pretty much worked hand in hand. So please, if you are seriously interested let me know. I would be here at any time to help you through the learning process.

May everyone have a successful pitching season, tossing lots of Ringers!

~Karen

He sustained broken ribs, damaged lungs and kidney damage. At this time, Harold is holding his own. Prayers for Harold that he continues to improve as he faces this long road ahead of him. (Update on page 5).

Julie Bernard has gone through her chemo and is doing remarkably well. Now she has to have some radiation until June. Looking forward to seeing our horseshoe sister on the courts!

Update on Harold Uncapher: Harold remains in ECMC Trauma ICU and after several operations he is still in guarded condition and still has a long way to go. I last visited Harold on Tuesday and he was aware of my presence, opening his eyes when I spoke to him and able to squeeze my hand. Harold is not able to speak due to having a tracheotomy but based on the first time I seen him it appears that he is slowly improving. Harold was also put on dialysis to help the one kidney left do a better job. His family feels that he will be in the ICU unit for 3 to 4 more weeks and then hopefully be moved into a rehab unit. Please keep him in your prayers.
