

The "Mud"

Below you will find a little knowledge of how it all began hope you enjoy. I hope you all have a wonderful holiday and Happy New year . Hope to see you all next year on the courts. Cathy

Horseshoe pitching, game for two or four players, most popular in the [United States](#) and Canada, in which players attempt to throw horseshoes so as to encircle a stake or to get them as close to the stake as possible. When two play, they pitch from a pitching box, 6 [feet](#) (1.8 m) square, in the centre of which is an iron or steel stake extending 14 inches (36 cm) from the surface and [inclined](#) 3 inches (8 cm) toward another stake 40 feet (12 m) away (30 feet [9 m] for women and juniors). After both players have pitched two shoes each (an inning), they walk to the opposite box and pitch from it. When four play, each pair of partners pitches from opposite boxes. Regulation games are played to a winning score of 50, more informal games, to 21. After all shoes have been pitched in an inning, scoring is as follows: one point for each shoe closer than an opponent's, if the shoe is six inches or closer to the stake, and three points for each ringer (shoe enclosing the stake). If shoes are equally distant or if opponents have the same number of ringers, these are considered ties and no points are scored. A leaning shoe has no more value than one touching the stake. Horseshoes designed for pitching (usually made of iron or steel) weigh 2.5 pounds (1 kg) and are 7.5 inches (19 cm) long, 7 inches wide at the greatest width, with a space 3.5 inches (9 cm) between the calks, as the small toes at each open end are called.

Horseshoe pitching may have derived from the game of [quoits](#) played by Roman officers during the Roman occupation of Britain (1st to 5th century). Their men, lacking quoits, presumably used horseshoes, though the existence of iron U-shaped horseshoes at that time remains undocumented. It is thought that peasants in [medieval](#) Britain also adapted horseshoes for use in improvised games of quoits. The sport was introduced into [North America](#) by English settlers in colonial times. The National Horseshoe Pitchers Association of America became the governing body of the sport in the United States in 1926 and holds national and world championship tournaments annually.

HALL OF FAME

Lee horseshoe pitching career has taken him all over New York State. He is also a member of the Tri-County Horseshoe Club in Groton, NY. Lee enjoys pitching in both Groton and the Floyd Horseshoe Pitching Club in Floyd, NY as both clubs have indoor and outdoor pits. The Pine Grove Horseshoe Pitching Club in Camden, NY has hosted the NY State Tournament for many years as has the Waterloo Horseshoe Club in Waterloo, NY where Lee won many of his awards. Lee also pitched at the Southern Tier Horseshoe Pitching Club in Johnson City, NY, Canton Horseshoe Pitching Club in Canton, NY, the Pioneer Horseshoe Pitching Club in Syracuse, NY, Deposit Horseshoe Pitching Club in Deposit, NY, Pulaski Horseshoe Pitching Club in Pulaski, NY, and the Moreau Horseshoe Pitching Club in South Glens Falls, NY. In league play at the SNB Club, Lee and his partner, Ed Kohler, sponsored by Kelly's Flowers of Norwich, NY, took first place in 2014, 2015, 2016, and 2022. Recently, Lee pitched fourteen ringers in a row in SNB. Our local newspaper has done a great job this summer promoting the SNB Horseshoe Pitching League. Lee's hard work and dedication landed his team in the headlines taking another first place this fall. In the early years, Lee donated his trophies back to a junior league to honor their accomplishments. His selflessness speaks volumes. Lee is still a strong and devoted pitcher and his love for the sport shines through every day. We believe he would be much deserving addition to the New York State Horseshoe Pitching Hall of Fame for 2023

NHPA First Vice President Selected

Brian Poole vacated the First Vice President office to become the NHPA Secretary/Treasurer in October, 2023. After evaluation of interested persons, the Executive Council has chosen Austin Bailey of Illinois as the new First Vice President effective November 1, 2023. Austin has been very active in the Illinois Charter and currently serves as 4th Vice President. As First Vice President he will inherit the Rules and Bylaws along with addressing any grievances filed. We wish Austin very good luck in assuming these important duties.

We know that there are a number of Rules/Bylaws that have been discussed among the NHPA members this year for potential changes. The deadline for submitting changes to be reviewed in the Annual Delegate meeting during the 2024 World Tournament is December 31, 2023. We encourage you to submit all proposals to Austin Bailey before that deadline.

NHPA Executive Council

NHPA Members,

The NHPA Executive Council would like to thank you for your patience as we have been considering the format of the 2024 World Tournament. Many options were considered, but we have determined that the only change for 2024 will be to schedule the Championship Classes during the first week of the tournament. The Junior Division will pitch the same days as before at the end of the first week.

There will not be any shoe limits on the Championship finals nor will there be any ceding into the Championship Classes.

All first week pitchers will participate in the preliminary rounds to determine the Championship Classes.

We hope this will also allow many of those pitching in the second week to join us for the Annual NHPA Delegate Convention, the annual awards banquet and auction. We encourage those pitching in the first week to stay and be a part of those events as well.

Hopefully each of you are already planning to join us for a great 2024 World Horseshoe Tournament sponsored by Tri-Cities, Washington and held in the Toyota Center in Kennewick Washington.

Gary Roberts, NHPA President

In the back yard with his dad, Alan Overbaugh found a love for the game of horseshoes. After returning home from the Marines, 22-year-old Alan joined the Dryden league and competed in tournaments around the area meeting new people and improving his skill. Alan joined Luke Luther, Hard Luck and others at the Tri-County Horseshoe Club in 1993 when Luke and Hard Luck established and founded the club. He was encouraged by Luke to become a sanctioned player and has been a sanctioned player now for 33 years. Alan used what he learned from his mentor Luke to climb the ranks in his class, winning many NY State Class Championships. He played with many of the greatest, including Bob Hayes, Art Tyson, "Bulldog" John Bogardus, Mike DiMartino, Bob Jones, George Schultz and Ken Frasier. Alan became Tri - County's first Pro Awardee. In his younger days, Alan won a World Tournament Class H1 Championship in Syracuse NY at 49% and World Tournament Class E Championship at 53 % in Ontario Canada. Alan and his partner Dave Reynolds won the 1999, 2000 and 2001 NYS doubles

Championships. Many times, Alan finished second in the NYS Championship class. Alan took 14 NYS Tournament Class A Championships at Tri - County and many others around NYS. Over his career Alan not only played the sport of horseshoes with dedication, but he also promoted the game. As a director Alan has run Sanctioned tournaments and club leagues. Taking what his mentor Luke Luther taught him, he mentored many players over the years. From the small boys who came to his backyard pits to the people he plays alongside today, Alan continues to teach and encourage. Many of them are now NYS Sanctioned Members encouraged by Alan to join. In 1980 Alan was one of the first members of Owasco Horseshoe League that started with more than twenty teams. It continues still, with this year's teams at 9 and Alan still with them. Though Alan never found that Championship he strived for many times over the years, he continues to play the game with love and passion. His resolve to not give up through injury and hardship shows his dedication to the game. Over the years he has continued to encourage and teach players. It is nothing to hear Alan helping an opponent during a game and cheering them on when they do well. As a player of our sport, Alan has been dedicated to his Tri - County members on league, Owasco league folks and his sanctioned tournament friends. Treating them as family and recognizing it is the people, he plays with that keeps him in the game. The new online games drew Alan's attention where he has played many sanctioned and non-sanctioned games. Alan's love for the game comes before almost anything else in his life. He made a personal choice of quitting his bowling league so he could commit more time playing shoes. He enjoys camping and fishing and continues to play golf at the Flynn Memorial every year and an occasional benefit Golf Tournament. More recently Alan started to play an occasional cornhole tournament to support his daughter Beth and her husband Tom at the Maine American Legion in which they have dedicated much of their time and talent. If there ever was a man that has spent an entire life on a sport and still enjoys it more than anything else, it would be Alan Overbaugh.
