## From The Editors Chair:

So I'm sitting here looking over the brand new Microsoft Publisher 2010 that I just installed into our computer, and I am going gaga over all of the new choices... My husband says that this new program will be easy. Yeah, it will be easy... as soon as my daughter Samantha arrives and takes over!

Yes, once again it's time to change the "MUD". I took over two years ago (already), and had to switch programs to adapt to my computer. This time I am switching to a new program to adapt to everyone else's needs. This new program should be easier to post the "MUD" on our state's website, and easier to send a copy out to all of you who signed up to receive the "MUD" on your e-mail. A big

My wife always leaves an open space in the "MUD" for someone to write an article other than herself, so I guess that spot is officially now mine. I would first like to thank everyone for allowing me the opportunity to serve as your NYSHPA President. I will do my best to better the organization in any way that I can.

My first duty as President was to assign someone as the 1st Vice President as nobody had put in for this office. I am happy to say that I appointed Frank Kwiatkowski as V.P.

thank you goes out to all of you who have already signed-up for electronic mail service, and those of you who have not yet signed up, please consider doing so if you are able. Just send me an e-mail with your name and address and put the "MUD" as the title of the e-mail.

Hopefully as I progress forward with this new "MUD", I will learn quickly and make this a good newsletter for all of you. And if I don't catch on as fast as I hope, well I'll just bug my daughter to be around for the next edition....

-Diane.....

## From your Prez.....

He is a good friend of mine who is very active in horseshoe pitching. Thanks for taking on this position Frank.

I would also like to thank my daughter Sam for helping her mother immensely while putting this new "MUD" together. They have both devoted a lot of time in updating this newsletter in order to make it easier for everyone to receive it and to put a copy online for everybody to view.

One last piece of information that I would like to pass

Nov. 2010

New shoes for Christmas? Yay!!

along to you... Beginning in January the Erie H.S. Club (in PA) will have a new building with 8 indoor horseshoe courts. If you would like any info on their courts or any other topic, please feel free to contact me.

Have a safe and enjoyable Holiday season and I look forward to seeing everyone on the courts.

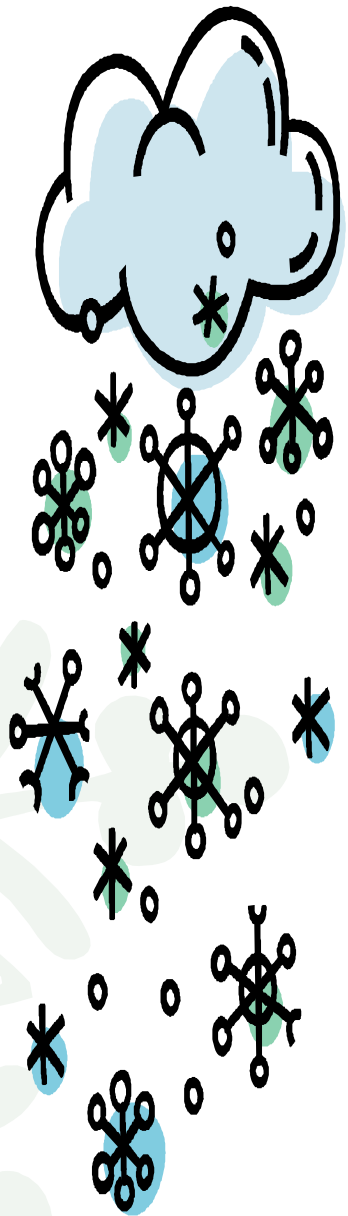

Later,

Lyle
